STEP 3: CHOOSE 2 ALTERNATE CLASSES

Select at least 2 classes from the "Alternate" category in Powerschool. Alternates will only be used if any of your first selections is not available to you for any reason. Remember that electives should be within your Career Pathway if possible. **Alternate courses should be different courses from the 1st choice of electives already selected.**

Honors (E), Dual Enrollment (DE) and Advanced Placement (AP) Course Offerings

Students are able to self-select into Honors, DE, and AP classes during the scheduling process. Requirements for admission into classes are below. Guidance will verify requirements have been met, and students will be dropped from the class if not met.

All Honors, DE, and AP courses are on a 10-point grading scale.

HONORS

- Requirements – A or B in previous class in the subject, 3.0 or higher GPA, and teacher recommendation

DUAL ENROLLMENT

- ACT score requirements for DE classes must be met by the end of the first semester. Current 9th grade students who want to take a DE class in 10th grade **MUST take the ACT by October and have a total of 12 credits by January.** That means any DE class must be scheduled in Semester 2 of the sophomore year.
- ACT score requirements: *19 Composite and 19 Math score on ACT*
- These courses are dual-enrolled through SELU, and there could be a fee for one 3 credit hour course.

ADVANCED PLACEMENT (AP)

- All AP courses are one-credit year-long classes.
- LPPS awards students an extra quality point for all AP courses. Fees for AP classes are \$110 (\$55 reduced fee) for each class. **A deposit of \$55 (\$30 deposit for reduced fee) is due no later than Thursday, Feb 24th, and full payment will be required by Friday, May 6th.** Payments must be completed online. Passing an AP exam with a score of 3 or higher earns students 3 hours of college credit, with some exams having the potential for students to earn up to 9 hours of college credit.
- It is recommended that students take no more than 2 AP courses per year.
