## PAINT DAY DETAILS

### On the day you arrive:

Check in and let us know you are on campus. Restrooms will be available, but cleaning brushes will not be permitted!

### Be sure to bring:

- A copy of your approved design to use as a template. **You must follow the design, no changes allowed.**
- A broom to clean your spot before painting. (This will save you lots of time). Blowers are not permitted as they can mess up a neighbor's design.
- Paint, paintbrushes, paint rollers, bowls for paint colors, painter's tape, any other supplies. Think about where you will put your paint can down at and bring a box lid or something else to put your supplies on for protection and clean-up materials.
- Painter's tape will be used to section off your space and will help to scale your design. You must leave a 3" border inside the pre-existing parking stripes. A ruler or tape measure will help to mark these boundaries.
- Other suggested items: bottled water to keep you hydrated, sunscreen, pop-up tent to help you cool off. A towel or gardeners cushion to sit on or kneel on while painting. Hula hoop for drawing large circles. A trash bag for clean-up. Paper towels for clean up of brushes and/or to wrap paint brushes in. **You will not be permitted to wash any cleaning supplies at school.**

### Suggestions:

Paint can be expensive so there are some tips to help keep the cost down:

1. Ask family or neighbors if they have any paint lying around that they don't need.
2. Home supply stores usually have paint in the clearance section that are deeply discounted.
3. Talk to your friends to see what colors they are using and share your paint.
4. Simplify your design: more colors = more money.
